Declaration of Commitment to

the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

Information Society Development Institute, represented by Director dr. Igor Cojocaru, expresses its agreement upon the principles and requests presented in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Being in agreement with all the principles and ideals of these documents addressed both to researchers and their employers, Information Society Development Institute recognizes the value of its principles and willingly commits itself to applying them. By endorsing the Charter and its Code of Conduct our institute aims at making a researcher's career more attractive and at enhancing the quality of research and innovation by the facilitation of international collaboration.

Information Society Development Institute will disseminate and promote the Charter and its Code among its researchers as well as among those involved in the recruitment of researchers.
